Construction Awards of Excellence

The Construction Awards of Excellence are highly prized awards, recognising individual and team excellence for those who set the gold standard in the construction sector. The Awards are open to all construction and building companies within Great Britain and are judged independently by an expert panel, chaired by Lord Stunell, the Liberal Democrats' Lords Spokesperson for Construction.

The awards evening will be held on 7 April 2022 at the Chelsea Harbour Hotel, London.

Each sponsor will be provided with a marketing pack to showcase their involvement and provides the opportunity to work as a partner to maximise their sponsorship in the lead up to the awards, during the ceremony and post event.
