

The Construction Summit 2022

SPONSORSHIP OPPORTUNITIES

The Construction Summit

The Construction Summit 2022 is the new, bigger and better event for all leading construction business owners and senior managers from Great Britain. This will take place on 7 April 2022 at the Chelsea Harbour Hotel, London.

The conference will be attended by leading construction organisations and suppliers for the construction sector. This gives all attendees a chance to learn new insights into construction and build new relationships. It provides sponsors with a captive audience for promotion running up to the event, throughout the day and post event follow-up.

Sponsorship Opportunities

With six different types of sponsorship available there is a unique opportunity for all size of budget.

Partner sponsorship packages provide you with the opportunity to promote your business to leaders in construction through activity leading up to the event, on the day and post event. This includes marketing to the NFB's network through website, social media and on the day conference promotions.

There are also packages where you can advertise your business through the delegate packs and on the day promotions.

All sponsors will receive tickets to attend the event and network face to face.
