

# NFB Shield - insurance backed guarantee

---

The NFB is a brand trusted to represent the construction industry. Homeowners trust our members to deliver excellence and as such having our logo on your vans, website and stationery ensures you stand out from local competitors.

Homeowners are now getting even more demanding and unfortunately national contractors are using extravagant guarantees to try and lure your clients to their brand.

This is why we have launched NFB Shield.

As an NFB Member you can now offer your clients a ten-year insurance backed guarantee. This gives your client the reassurance that in the unlikely event you cease to trade all guarantees provided will remain honoured, handing back the advantage to NFB members to win local work.
